Construction of Outdoor Theatre and Dance Platform Started

Kearney-Aubrey Wedding Is Social Event of the Week

SONOMA MISSION PLAY PARTS ARE BEING ASSIGNED

Local People Respond Readily to Committee's Call for Local Talent to Assist in Play.

Work is progressing on the open air Spanish theatre and the mammoth dance pavilion in the Sonoma plaza where the Spanish ball of the Mission Centennial will be held the opening Saturday night June 30th. Construction will start shortly on the bleachers to be erected in front of the old Mission to seat the crowds who will witness the romantic production of the colorful Mission Play. Under the supervision of Garnet Holme and his talented players preliminary readings have been going on for the purpose of determining the fitness of local people for the various characters. Mr. Daniel Totheloh famous author of the Mountain Play of Tamalpais, will take the part of Father Altimira.

Many people have responded to the request that they assist in the production and no difficulty is anticipated in finding sufficient talent to take all the parts. Several meetings have been held this week and Mr. Holme states that he is highly satisfied with the progress made and the interest shown by those who will be cast in the Play. Only a few of the leading parts have as yet been assigned by Mr. Holme, but a few days' time will no doubt see all roles taken after which rehearsals will start in earnest.

On Wednesday Miss Katherine Edson arrived and will assist Mr. Holme in supervising the rehearsals of the Mission Play. Miss Edson has been associated with Mr. Holme in a number of other productions which he has staged and under her direction the actors will be fitted into their various parts.

Plans for the outdoor theatre, which will be erected in front of the old Mission, have been drawn, and construction will begin within a few days.

Z. LANE ORCHARD HAS FINE APPLES

A specimen of Gravenstein apples grown in Z. Lane's Sonoma Valley orchard has been sent this office and without a doubt are some of the finest grown in the valley. These apples are four-tier size, well formed and average about nine inches in circumference. Mr. Lane has used the latest scientific methods in cultivating his orchard and states he will have a large yield this year. Shipping will probably be started within the course of a few days.

—NOTICE—

In burning grass off property precaution is urged to prevent fire. Have hose and wet sacks ready for emergency.

Chief Valente,
Sonoma Valley Fire Dept.

Big Affair on Wednesday at Club House

Centennial Costume Tea In Afternoon Card Party In Evening Prizes Offered.

Wednesday afternoon and evening will be the occasion of a fine affair at the Womans' Club house when a costume tea and card party will be given. All ladies in the valley are invited to gather for the tea in the afternoon and "500" will be played by those who enjoy cards. There will also be musical numbers, Miss H. Jacoby among the vocalists. A charge of 15c for tea and 25c for tea and cards will be made to help swell the centennial celebration fund.

In the evening a big costume card party to which gentlemen are invited, especially those with centennial whisks, will be the motif of a jolly social time. There will be prizes for cards, best costumed lady and gentleman and a prize for the best whisker. Admission 35c.

MARSHAL ALBERTSON IS AGAIN ON DUTY

City Marshal J. H. Albertson is again on duty, having been confined to his home the past two weeks as the result of an accident. While on duty, Marshal Albertson was struck by an automobile and knocked down. He apparently sustained no injury, but after several days had elapsed, he was unable to leave his bed, owing to an injury to his hip.

Although not entirely recovered from the accident, Marshal Albertson is able to be around once more with the aid of a cane. His many friends are glad to see him on the streets again, and to know he is well on the road to recovery from his painful accident.

NEW AUTO BUS MAKES FIRST TRIP

The San Rafael and Sonoma Valley auto stage line, owned by Valente and Stuermer, have added another bus to their route, making a total of four cars which they are now operating between here and San Rafael. This new car is a late model Cadillac with a seating capacity of nineteen passengers. Its construction embodies all the new ideas in building cars for passenger service and is known as the new safety type bus, owing to the fact that it is much lower than busses heretofore made, thereby eliminating the possibilities of accident. The new bus, which made its first trip Sunday, attracted considerable attention.

HIGHWAY COMMISSIONER TOY HERE

State Highway Commissioner Harvey Toy spent the week end at Boyes Springs. He is keenly interested in the coming Mission Inn project and will aid in every way pending road improvements. The Black Point cut-off is now provided with two water tanks and the highway is being kept in excellent shape where not paved.

New Officers Are Elected For Coming Year

The regular monthly meeting of the Sonoma Business Men's Association was held Monday evening, and after the usual routine business matters were disposed of, the following officers being elected for the coming year:

President.....W. F. Clewe
Vice President.....G. H. Hotz
Secretary.....Frank H. Muller
Treasurer.....W. W. Carter
Advisory Board, W. L. Murphy,
James Gottenberg, Charles LaTorres
and C. C. Casson.

Following the election, the matter

of establishing a children's playground in the Plaza was discussed by the Association. The plan, as outlined by City Trustee E. T. Lindley, has been commended by many Sonoma citizens who regard the plan as an improvement to the Plaza as well as a benefit to the children. After some talk, the Association members expressed themselves as strongly in favor of the proposition and voted to subscribe \$100 toward the fund which is being raised to purchase the necessary equipment for Sonoma's new children's playground.

SENATOR SLATER TO SPEAK HERE

Senator Herbert Slater is scheduled to speak at the Womans' Club on "Mission Life" on June 15th at 3 p. m. at the club house. A large crowd will greet the Senator who is a favorite here.

PLANS OF NEW BRIDGE MADE PUBLIC

Following the inspection of the terminals and plans by Secretary of War Weeks on Monday the office of Chief Engineer, Charles E. Derleth, Jr., today made public the details of plans for the construction of the Carquinez Straits Bridge between Vallejo and Valona.

The entire structure of cantilever type will be built of steel and concrete and will be thoroughly fire proof. In accordance with the War Department requirements each pier will be protected by suitable fenders for the safety of navigation and by necessary lights for signals and by other aids to shipping.

The bridge in all its parts, trusses, foundations, approach viaducts, highway connections is being built in the most substantial manner. The cantilever type was selected rather than a suspension bridge because, according to the engineers, it is more economical, can be built with greater stiffness and can be more readily adapted to future conditions to take care of an increase in traffic.

It will require twenty three million four hundred and sixty three thousand pounds of steel to construct the main cantilever bridge. Measure by the ordinary steel rail this would be as much steel as is used in a single track railroad one hundred miles long. In the five main piers there will be twenty seven thousand three hundred cubic yards of concrete which if rolled out in a ribbon a foot thick and a foot wide would reach from Oakland to Merced.

DEATH OF LITTLE SON

Mr. and Mrs. M. R. Tracey of Loveall Valley lost their little six year old son Sunday, following the bursting of his appendix. The death of the beloved child is deeply mourned and the parents have the sympathy of many friends in their sad bereavement. Interment was in Berkeley.

PIONEER FAMILY TO OBSERVE ANNIVERSARY

Mr. and Mrs. A. W. Adler will have a family reunion and dinner party Sunday in honor of the 75th anniversary of the Adler family in Sonoma. Mr. Adam Adler's father, Lewis Adler was one of the prominent pioneers of this section.

GRADUATION EXERCISES NEXT FRIDAY NIGHT

Sixteen graduates, the largest in history of Sonoma High School, will receive their diplomas next Friday night at the High School Auditorium. Prof. Edward Sait of U. C. will deliver the graduation address and there will be a splendid musical program. A cordial invitation is extended to school patrons by Prof. L. M. Golton to attend the exercises.

MASSIVE VAULTS AND SAFE ARRIVE

Two massive vaults with 4 inch non burnable steel plate doors have been placed in the new Valley National Bank building. Each door weighs 3 1-2 ton. One vault will be a safe deposit vault and the other is the regular bank vault. A six ton manganese and steel safe with time lock has also been received.

WHOOPEE! RODEO FOR CELEBRATION

Plans are being perfected to bring the California-Nevada rodeo stars here for the Mission Centennial July 4th. The cowboys and stock coming to the Sonoma show are among the best in the West.

CAPITAL OPERATIONS AT CRANE'S

Mrs. Lena Keechler Groskopf underwent a capital operation at Crane's sanitarium this week. Doctor Thomson being assisted by Doctors Temple and Hayes.

Mrs. Irving Shepard was operated upon for the removal of her gall bladder and appendix. The same surgeons were in charge of this case. Both patients are doing nicely.

L. Stenquist drove Miss Mattie Goodman to Petaluma Sunday to visit her aunt, Mrs. Dillon who was recently struck by an automobile. Mrs. Dillon is rapidly improving and will soon be able to leave the hospital.

Large Meeting Held at the St. Francis Hotel

Heads of Catholic Societies of Bay Meet in San Francisco Discuss Sonoma Celebration.

A large and enthusiastic meeting was held at the St. Francis Hotel in San Francisco on Saturday of last week when heads of the various Catholic societies of the bay district met to confer with Rev. J. F. Byrne of Sonoma regarding the religious services which will be held here Sunday morning, July 1, during the Mission centennial celebration.

Rev. Byrne, who is in charge of the local committee called the meeting to order and outlined the plan of holding mass in the open air in front of the old Mission. Mass will be said by Archbishop Hanna, assisted by Franciscan friars and a choir of 40 voices.

Committees were then formed and various plans discussed by those present regarding participation in the services by the Catholic organizations of the cities around the bay. Each society will be represented by a majority of its members and it is expected that close to 10,000 people will make the trip to Sonoma on July 1. It is planned to charter special trains to take care of the transportation of the hundreds of people who will attend this impressive ceremony.

EIGHTH GRADE PUPILS ENJOY NICE OUTING

Last Saturday morning six automobiles loaded with the pupils of the eighth grade of the Sonoma Grammar School left for Mt. Tamalpais where the day was spent in hiking over steep mountain trails and otherwise enjoying the pleasures of this picturesque place. A picnic lunch was spread under the trees, to which all did ample justice and the return trip was made during the evening. The pupils were accompanied by their teachers, Misses Young, Chester and Fallon and Principal J. F. Prestwood.

DEPUTY GOES TO L. A. FOR SONOMA PRISONER

Deputy Sheriff Robert Dickson left this morning for Los Angeles to bring back Paul Schultz, wanted in Sonoma for failure to provide for a minor child.

Schultz was caught by the Los Angeles authorities several days ago on a warrant issued at Sonoma. Constable John Mohr of Sonoma being unable to go to the southern city for the man, Dickson was sent by Sheriff John Boyes.—Santa Rosa Republican.

FINE WHIST GATHERING AT FETTERS

The Sonoma Valley Improvement Club had 14 card tables at the regular card party this week. Winners were, F. A. Campbell, first, John Larsen second; Jean Cazes third and Jessie McFall, fourth.

Mr. and Mrs. F. Nichelini, newlyweds are still enjoying life in Lake County.

POPULAR YOUNG COUPLE UNITED BY BISHOP KEANE

Many Relatives and Friends Attend Ceremony in Oakland On Last Saturday.

At an impressive church wedding, in the presence of one hundred relatives and friends, Miss Mae Kearney became the bride of Alroy Aubrey on last Saturday morning, at St. Francis de Sales church, Oakland. The church was beautifully decorated with palms and ferns and as the strains of Lohengren's wedding march pealed forth, Miss Kearney, escorted by her father, Joseph Kearney and accompanied by Miss Mayme Walsh and P. G. Kelley, entered and took their place before the altar, where the bridegroom awaited them. Rt. Rev. Bishop Keane, assisted by Rev. Father Byrne of Sonoma, Rev. Father Millet of St. Mary's Cathedral, San Francisco, Rev. Bray and Rev. Moriarty of Oakland officiated.

The altars were handsomely decorated with myriads of lighted candles and pink gladiolas. The choir rendered special music with Miss R. Getten of Ingleside Terrace as soloist.

The bride, a beautiful young lady of brunette type, wore a handsome wedding gown of white crepe meteor and lace with bridal veil and coronet of orange blossoms. She carried a bouquet of white rosebuds. The bridesmaid, Miss Mayme Walsh, wore a gown of apricot crepe meteor and picture hat to match and carried a bouquet of pink roses.

Immediately following the ceremony Mr. and Mrs. Aubrey, accompanied by a number of friends and relatives, motored to El Verano, where the wedding breakfast was served at the bride's home. The house, which had been newly refurnished, was tastefully decorated, and the table with its color scheme of pink and white was a masterpiece of decorative art carried out by the bride's cousin Howard Redmond. A large bell, symbolic of the happy occasion, was suspended above the table and added much to its attractiveness. Plates were laid for fifty.

Mrs. Aubrey is the daughter of Joseph Kearney and for many years has made her home with her uncle and aunt in Sonoma Valley. She is a graduate of the Presentation Convent and has been a popular member of the younger set.

Mr. Alroy Aubrey, while never having resided in Sonoma, is well known here, owing to the frequent week end visits he has made at the home of his mother, Mrs. Tom Monahan. It was during one of these visits that he met the young lady who became his bride. Mr. Aubrey, a graduate of St. Clara College is connected with a large Oakland firm, with which he holds a responsible position.

Following the breakfast the newlyweds departed on a motor trip to Portland, Ore., where they will spend a week or more. On their return they will reside in Oakland, where a nice apartment has been prepared for them, pending the completion of their new home.

At Watmaugh school house the tiful set of silverware was presented. The dancing of the school year was as a token of esteem to the retiring Miss June 2nd, and the usual pleasant teacher, Mrs. Elizabeth Leshner, and time enjoyed by all present. A beau- was greatly appreciated by the lady.

HIPPODROME THEATRE

NAPA, CAL.

WEEK STARTING JUNE 10TH

SUNDAY

MARY MILES in "THE TRAIL OF THE LONESOME PINE" and
Five Acts of High Class VAUDEVILLE

MONDAY

BERT LYTELL in "SHERLOCK BROWN"

TUESDAY and WEDNESDAY

FANNIE HURST'S gripping real-heart story
"THE NTH COMMANDMENT"

BROADWAY—what does it do to a pretty girl who works hard all day and finds her pleasure when the gay lights twinkle? You'll see this pretty girl, jass-struck, good but only human, hiding something under her gayety. As appealing a story as "Humoresque."

THURSDAY and FRIDAY

The Photoplay Extraordinary,

"DRIVEN"

What a few critics say about "Driven":

"It stands a sone of the best photoplays we have ever seen from an American producer."—New York Daily News.

"Whoever misses this piece misses a film that he or she would have been glad to remember."—New York Morning Telegraph.

"One of the really fine things, dramatically, which have been shown on Broadway."—New York World.

"Among the very best, not only this season, but all seasons."—New York Mail.

It's an epic of the Kentucky Hills—a second "Tol'ble David".

A rapid-fire comedy drama.

EL VERANO NEWS

By ARCHIBALD McKIVER

Jim Kelley, Petaluma rancher and stockman has been enjoying an annual outing at El Verano.

Miss Dora Nonella has returned to San Francisco after a visit with relatives.

Dolph Gull, who the boys are always glad to welcome to the old town, was here from San Francisco Saturday enjoying the Sonoma Valley and attending the grand opening of El Verano Villa. Gull is a booster first, last and always for the coming Centennial celebration at Sonoma, and showed the natives how to shake a leg at the local dances. His gang will be here a million over the 4th of July, to invade old Sonoma. Dolph is to take off the part of a wild and wooly Mexican cow-puncher. His dress is being fitted up by a leading San Francisco tailor, which from all accounts spells class.

John Serres Jr., appeared in the village recently coming out of the wilds of Agua Caliente, where along with farming, he is irrigating a beautiful crop of Vallejo chops. These side burns are equal to any yet viewed by the writer and are becoming to "Toots", who is a live booster for the coming Centennial Celebration at Sonoma. Serres' boss, Frank Wattress is also brushing up his side-burns. He is one of the early Pioneers, who will celebrate, having known General Vallejo personally, and will be a prominent figure in the parade. Wattress is personally looking after the growth of his young pal's whiskers.

The extra berry train out of Santa Rosa has been put on over the S. P. line, making the run each day, in order to rush the berries to the eastern markets.

Mr. and Mrs. Walter Murphy, of the Sonoma Index Tribune, left over the Southern Pacific lines, Saturday, where they join other members of the California Press Association, headed by the Governor of the State, and will spend a week looking over the beautiful Yosemite Valley. The association is holding its yearly convention.

The opening dance at the El Verano Villa last Saturday evening, was attended by a large crowd of jolly people and also a large number from San Francisco and other cities. All enjoyed a wonderful time and fine music featured the evening's entertainment. These social dances will be held each evening during the summer vacation months. Already a number of tourists are registered at the pioneer resort.

Eddie Healy, San Francisco politician and former candidate for Supervisor, now holding a political position at the Capitol City, was a welcome visitor in El Verano last week.

A large General Merchandise store, both retail and wholesale is now being built at Sonoma Vista near the Valley of the Moon hotel. M. Mc Carthy, who is in the grocery game at Sausalito will start the new business about July 1st.

All hail to Governor Smith of New York. This is the first real start of the modification of the Volstead Act. Prohibition is every way has proven a rank failure and is the work of fanatical drays. The Governor of New York, a democrat, and likely aspirant to the presidency of the U. S. has signed to have the New York dry law repealed, and it looks like light wine and beer will come back. Other states will join in with New York, and it may be that once more the boys will be able to be free.

Jep Valente of the Sonoma Valley Bus line running between Agua Caliente and San Rafael was in town Monday consulting the new time tables, taking effect June 2nd. The line is now enjoying a heavy passenger traffic.

Harvey Toy, highway commissioner was in the Sonoma valley Sunday. Toy has interests at Sonoma Vista.

Harold Redmond of San Francisco accompanied by his wife was in El Verano Saturday.

Henry Ebersoll well known Fair Ranch foreman, Lakeville, was here the first of the week. Mr. Ebersoll has been foreman of this ranch for thirty years, and has many friends in the Sonoma Valley.

John Andrews, poultry man is the proud driver of a new Chevrolet car. Jake Steckmeyer, John Marton and George Weaver were on a fishing expedition in the St. Helena valley over the week end.

Mike Guilfoyle was an incoming passenger, on the Santa Rosa flyer, last week.

Les Perkins, musician who recently left for Bakersfield and was employed at the oil fields there, while working, slipped on an oiled soaked plank and fell thirty feet into a tank and narrowly escaped serious injury.

M. Bronner Oakland band attache was a visitor over the week end at the Kearney home.

Byron Weaver and wife have left for Los Angeles, where Mrs. Weavers' relatives reside and will make their home in the southern City.

Mr. and Mrs. George Fredrickson, and daughter, Miss Madaline of San Francisco, accompanied by Miss Lillian Hoenish of Oakland were motor visitors Sunday.

Charlie Daniell, Rubber Co. employee, San Francisco, was the guest of relatives over Sunday.

Ralph Murphy, contractor, was an S. P. Sonoma passenger for Santa Rosa Sunday.

S. P. McKinnon of Concord, was a visitor at the Dowdall home over Sunday.

Mr. and Mrs. Archie Gale of Concord, motored over from that city, spending Sunday as guests at the Dowdall home.

Frank LeHaye, San Francisco auto mechanic is in town looking 'em over. L. Vincent of San Francisco, spent Sunday in the Sonoma Valley.

Larkspurs' ball players met Boyes Springs Sunday and after 10 innings of ball the fans like to watch, carried away the honors of the day. Features of the game was the fielding and hitting on both teams. The scoreboard read Visitors 5, Home team 4.

Wm. Canfield, Petaluma's leading stock man was a business visitor, Monday.

Dave Forni, E. Revie, Harry Rogers and Bill Johnson, took in the Rodeo at Kentfield Sunday. The boys were given a good bronco busting show.

Last week a thoroughbred stallion belonging to Otto Brandt in some mysterious manner became lodged in a six foot culvert between the main line

tracks of the S. P. near Schellville. He was discovered by section boss. Doktor just before the Santa Rosa local was due. With some difficulty the animal was removed. The train was delayed for a short time.

D. M. Horn of Hornbrook, Siskiyou Co. visited at the W. W. Hall ranch Friday and Saturday. He was an interested visitor at the local High School exhibition Friday evening, where his son is a sophomore.

CARD OF THANKS

We herewith desire to express our heartfelt thanks and appreciation to our many friends in Sonoma Valley for the beautiful floral offerings, telegrams, kind words and expressions of sympathy extended during the sad hours of our bereavement in the loss of our darling daughter and idolized sister.

Mr. and Mrs. B. H. Chambers
Edna L. Boehm.

You Can Screen Out Summer Insect Pests

YOU CAN DESTROY the breeding places of Flies and Mosquitoes, as well as trap and kill many of them—and you ought to do so. But there will still be enough of these pestiferous insects left to make summer comfort out of the question if you don't screen them out of your home.

Flies and mosquitoes work in relays; flies by day and mosquitoes by night; and then there are the moths and other night flying insects. Your only protection from their assaults is screening of windows, doors and porches.

The annoyance caused by flies and mosquitoes is reason enough for screening them away from folks; but that is a trifle compared with the terrible losses in health and life they cause as carriers of disease.

You must screen early because a single last year's left-over female fly can populate a whole neighborhood. Mosquitoes are also prolific. Better let us measure your windows for screens today; doors, too, of course. And you'll be wise to make a summer room of that porch by screening.

We are at your service and we'll do the job right; but remember, flies and mosquitoes start early in the Spring and work fast.

A. PICCHI SELLS

INTEREST IN STORE

A deal was consummated this week whereby A. Chelnr acquired half interest in the vegetable and grocery store which has been conducted by A. Picchi on Napa street for some time. Mr. Picchi has always enjoyed a good patronage and the increasing volume of business induced him to take Mr. Chelnr into partnership with him. The latter is well known

here, having been engaged in the vegetable business in Sonoma a few years ago.

The new firm has purchased a large motor truck and will make trips to San Francisco daily for vegetables, thus assuring a fresh supply at all times.

The case of the People vs. Wm. Boitano, charged with possession and unlawful sale of liquor, has been continued for one week to June 13th.

WROTE SONOMA POEM

DROPPED DEAD

Fred. Emerson Brooks, noted California writer, dropped dead Friday morning of last week shortly after completing the official poem of the Sonoma Mission Centennial. He had written the verse at the request of his friend, Geo. Crowe, and it was the last thing from his talented pen. Brooks resided in Berkeley, where the funeral was held Monday.

Own A Planted Fig Garden

You don't have to pay anything down and I will help you win a home

J. C. FORKNER, President
The J. C. Forkner Fig Gardens Inc.

Developments Already Made On These Home Fig Gardens

Twelve thousand acres completely prepared and planted, some bearing. Roads, ditches, highways, electric lines are built; townsite on land being developed; best water right in state; canning factory already built; church, schools and five million dollar lumber mill employing 1000 men on tract. Only .15 minutes from center of Fresno, having a population of 75,000, and growing out over these gardens.

I want 100 families to settle on 5 or 10 acre planted fig gardens

I am making this remarkable offer to 100 families who have a sincere desire to have an income producing home of their own.

I have planted and sold Ten Thousand Acres of fig gardens. I have spent six million dollars during the last ten years developing these fig gardens. There are 100 happy families living on these home acres now. I want 100 more families.

I have decided to sell One Thousand Acres of planted fig gardens just coming into bearing, on the following terms:

No payment down.

You move upon 5 or 10 acres of my fig gardens—just coming into bearing—adjoining the city of Fresno, and build a home and farm the land. I will give you ten years in which to pay. The crops will pay for the land.

I live on the land and have developed these fig gardens myself. Any man who moves upon these fig gardens cannot fail. I will help him to win a home.

Location

These Fig Gardens are located north of Fresno.

My office is at the townsite of Fig-arden on the main line Santa Fe Railroad in the center of 12,000 acres all planted to figs.

It will do your heart good to ride through this Fig Wonder Land. Come and see for yourself; if you can't come fill out the coupon and mail it to me and I will send you the descriptive booklet.

A SWEET TRIBUTE

In the chatty well written column of Adi C. Sweet (sister of Annie Laurie) in the Santa Rosa Republican the visit of the Sonoma clubwomen to the county clubs federation meeting was referred to in a nice write-up headed "Old Days Revived in Sonoma's Centennial." Mrs. Sweet wrote in part as follows:

This blossoming, flower scented May, we seem to be, here in Sonoma county, looking backward with somewhat wistful glances at the past. The Burbank Jubilee presented the pageant of the history of Sonoma county and a great revelation it was to us all, the dramatic representation of the epoch of the Five Flags.

Now we have the coming celebration of Sonoma's Mission centenary, from July 1st to the 4th, and there are signs and omens of a truly beautiful series of events in the old mission town of our county.

At the Women's Club meeting in the Rincon Valley club house, Wednesday, were present many women and girls dressed in the costumes of old days. The Spanish mantilla of lace, worn with grace by some, was rivaled by the bright dresses of other Spanish costumes coquettish in the extreme, and beautiful as they were becoming.

There was a Russian girl in costume in memory of the Russian settlement on our shores long ago. And then there was an admirable company of women in the American dress of the times past, with flat hats, hoops, pantelettes, and I saw one Paisley shawl upon a pair of pretty shoulders. The poke bonnets won the hearts of all beholders, for what could suit a girl's face better than the quaint wreath of fine flowers around the face under the projecting brim of the bonnet of old times?

It seemed to me that the faces under these bonnet-brims were especially sweet, and that the gentle grace of a time long past has descended upon the granddaughters of the pioneers who crossed the plains and mountains before the engines met to salute each other on the trans-continental railway.

In these dreamy May days the past is calling to us and we cannot but heed the call. Old Sonoma is get-

ting ready for the feast of a century with old costumes and with reminiscences of a most picturesque history, and we are such near neighbors that we are sure to become a part of the celebration of the days of old here in the Valley of the Moon.

Messrs A. Borzi and John Aguin-tapace have purchased the interest of A. Arreco in the vegetable garden at Fetters Springs and with A. Garibaldi the three partners will have every thing in the line of fresh vegetables.

What is an AMPERE?

Electricity may be considered to flow as current through a conductor, very much as water flows through a pipe.

Just as you do not ask how much is in the pipe, when measuring water, but how much flows on, in measuring electricity, you are interested in the current, or the quantity that flows through the wire. This quantity is measured in AMPERES.

Watch for advertisements to follow, explaining the terms "volt" and "watt."

WILL BE CALLED AGAIN TO SERVE PEOPLE

The threat to start a recall on Governor Friend W. Richardson because he ousted a radical individual claiming to represent labor at Sacramento is liable to turn into a different recall than that the Examiner would foment. Richardson will be recalled to fill the Governor's chair another term or we miss our guess. Although he has repeatedly stated that he has no desire to perpetuate himself in office and has therefore been careless of his political future from the standpoint of political fixers, we believe his fearless stand for economy and efficiency and his adherence to the policy which was responsible for his election to this high office of public trust, will create a demand for his reelection.

Governor Richardson's attitude toward labor is too well established to be affected by a misguided Scharrenburg or his mouthpiece, the Hearst organ. The state immigration and housing commission will function much better with members in accord with the Governor's policy. Labor as a class has many fine capable men who will be constructive in their efforts helpful to the administration, and will not use state jobs as nest feathering instruments or as a power over the rank and file of working men. Leaders truly representative of labor are marching under the Richardson banner, have been since Richardson came into public life and will continue to follow him, agitators notwithstanding.

The Governor is representing all the people of California and knows a class. It is not the soap box orators "peepul" nor the demagogues stock-in-trade down trodden masses suddenly exalted, but the people who vote and pay taxes directly or indirectly in whose well being the Governor by his every act has thus far shown a real interest. Working people up and down the state are thankful that waste and extravagance born of lust for power and accelerated by flattery have been brought up with a short turn by as sincere and courageous leader as California has ever had.

GETTING THEIR EYES OPEN YOUNG

Because the Boy Mayor of San Francisco who was the city's "chief executive" for Boy's Week said in his official statement that he hoped S. F. would have light wine and beer some day instead of unenforceable prohibition, the precocious youngster has been bitterly excoriated by narrow minded reformers. The Women's Vigilant Committee butting in as usual after many squelchings declares the boys remarks show a "terrible influence." Then comes the California Liberator with its usual fanaticism and refers to the boys remarks on wine and beer as "a pitiful episode." The dry sheet goes even further saying "the lad apparently has been

coached and befuddled by his soaking San Francisco elders." Surely no one can be more befuddled than the prohibitionist himself after looking over his dry Eutopia, this maudlin child of his brain.

The boy mayor was we take it, brought up in a broadminded family in a broad minded town and has probably had his eyes open despite his tender years to the fallacy of prohibition which does not prohibit either liquor, graft, crime, drunkenness or lawlessness but on the other hand accelerates and encourages these very things which the dries promised to eradicate. The real workings of prohibition must be apparent to a six year old boy, whether a Sunday school boy or the son of a bootlegger. Six year old boys of today know that there are at least two kinds of jackass, one begot of prohibition, and very common to America. Acquaintance with this "animal" is not helpful in the rearing of young Americans nor does it inculcate respect for the laws of the United States. The boy Mayor probably took this fact in and boy-like candidly expressed the opinion that the Volstead act were better repealed than defied or disrespected. The quicker the rising generation realizes the folly of legislating people into sobriety, the better off our future democracy will be. It will curtail a generation of hypocrites and turn back society into the old sure groove of self control and temperance instead of inculcating false hopes of automatic virtue.

LOCAL AND PERSONAL

The Congregation Ladies Aid Society will meet at the home of Mrs. Jeanette Cooper on Tuesday, June 12.

A number of workmen are busy erecting the Spanish theatre in the plaza for the coming celebration.

A party consisting of Misses Dorothy Breitenbach Gladys Small, Bert Kerner and Judge Lester Small, motored to Lacer PCounty last Saturday. They found that several towns were about to hold High School bond elections and the Sonoma High School was pictured as a fine example of up to-date school construction.

Baby Pekin ducklings for sale. Apply to N. G. Pavlos or phone 123R. 42 2tp

Mrs. G. Rubke and daughters were week end visitors in San Francisco. W. B. Pearson transacted business in the city Tuesday last.

Be Yourself.

Contentment abides with youth. You will generally suffer for wishing to appear other than you are; whether it be richer or poorer or more learned. The mask soon becomes an instrument of torture. Sir Arthur Conan Doyle.

Glass Used in Road Making. Cook, iron and even glass have been experimented with for making roads to stand heavy motor traffic.

Counterfeits of Real Gold.

Budapest papers report the arrest in Transylvania of a gang of counterfeiters who were making coins of old Hungarian design out of real gold which they had bought at low rates from workers employed in jewelry manufacturing plants.

Odds Favor the Widow.

Those who have studied matrimonial figures say that when a widow enters into rivalry with a single lady the odds are always on the widow capturing the wedding ring.—Exchange.

Remarkably Preserved.

In an Egyptian tomb a vase was found containing honey still liquid after 30 centuries. Cushions on the armchairs found in this tomb were still so soft and well preserved that one could toss them across the room without doing them damage.

The English Language.

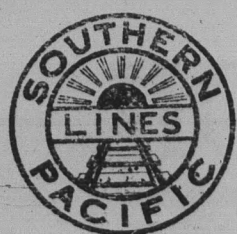

The English language is spoken by more people than any other. The number exceeds 150,000,000. Next comes German, spoken by 120,000,000; then Russia, by 90,000,000 and then French by 60,000,000.

Work of Difficulty.

It is an easy and vulgar thing to please the mob, and not a very arduous task to astonish them; but essentially to benefit and to improve them is a work fraught with difficulty, and teeming with danger.—Colton.

Thought for the Day.

When some of us get what we want we don't know what to do with it.

LETTER FROM THE "CHIEF" TO THE PEOPLE OF THE SONOMA VALLEY FIRE DEPT.

I wish to make a statement to the public at large that the late Carnival held at Boyes Springs for the benefit of the Boyes Springs and Valley Fire department was a success, although not as good as I expected it would be.

To bring the Concession people here, upon a short notice, the original Concession people failing to keep their agreement to come, I had to guarantee all expenses for help, shipping etc., and lost to this over \$300 which was no fault of mine.

There is still around \$100 to collect on program advertising on which unfortunately some are slow in making their payments.

I cannot at the present time give a correct account of the exact amount of money made out of the Carnival, but I can state that all bills for the Carnival are paid in full, outside of the Light Company, for putting up the transformers and lights for the concessions. The Telephone and Light Company very kindly donated the street lights during the Carnival, and possibly may give their other service free, which I hope they will do.

On the 18th of this month I paid to the American La France Engine Co. the sum of \$900 as payment on the Valley Angel. I also paid them for bills for acid, sads etc. We still owe on the engine around \$1,100. I also paid \$36 for tires.

This is the best statement that I can give at the present time, and will say that if any one would wish and further information I will give it freely at the fire house.

Respectfully,

W. B. Cause, "Chief" Boyes of Boyes Springs V. V. F. D., Boyes Springs, California.

Mr. and Mrs. F. T. Duhring and son Stephen, who has just graduated from U. C. left Wednesday for a trip East, and will go as far as Richmond, Virginia.

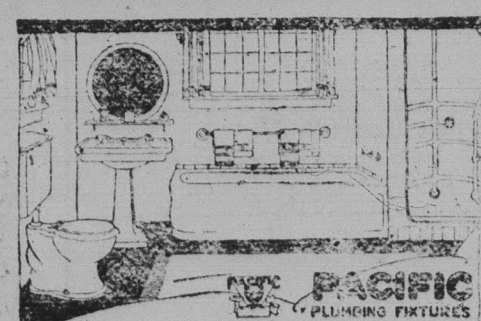

TIRE buying need not be a matter of bargaining or of risk. You can have every assurance of good value, good service, and a square deal. All you have to do is to buy your tires where you see the Goodyear Service Station Sign. There is one on our place of business in this town.

As Goodyear Service Station Dealers we sell and recommend the new Goodyear Cord tires. We bonded the Weather Tread and back them up with standard Goodyear Service.

IMPROVEMENT CLUB TO GIVE ENTERTAINMENT

The various committees of the Sonoma Vista Improvement Club are busy completing arrangements for the third annual entertainment and ball which will be held at Boyes Springs theatre on Wednesday evening, June 20th. "The Stranger's Banquet", a high class photoplay which had a long run in the city, will be a feature of the entertainment and a jazz orchestra of exceptional ability will furnish music for the dance. Two valuable door prizes will also be given away during the evening.

These entertainments by the Sonoma Vista Improvement Club have always proven popular affairs and a large crowd will no doubt be in attendance to participate in the evening's festivities.

Peterson and Marymee of the Brendel Ranch, made their first shipment of apples to San Francisco Monday.

The Stewart Fruit Co. is making preparations to start work at their new packing house at this point and will be able to handle a large share of this season's crop. The company intends to boost in eastern states and will see that Vineburg will be known as an important shipping point.

VINEBURG NEWS

The many friends of Mr. Frank Rhode will be glad to hear that he is getting along nicely, and in a short time will be up and around again. Monday he enjoyed a motor trip to Vallejo in company with Major Louis Martin and W. B. Pearson.

Mrs. Enrico Forni accompanied by her charming daughter, Miss Dolores visited the Metropolis Monday.

Mr. and Mrs. Fred Batto and Mrs. Albert Groskopf enjoyed a trip to San Francisco on Wednesday last.

-WANTED-

The Committee of the Mission Play want lady volunteers to sew, helping make costumes.

All sewers are kindly asked to communicate with Mrs. Wicker, Mrs. Clewe, Mrs. Adler or Mrs. HoMabaugh.

CARD OF THANKS

We desire to express thanks and appreciation to our friends and neighbors for the sympathy accorded us and the flowers sent during our recent bereavement in the loss of our beloved boy.

Mr. and Mrs. M. R. Tracy

Albert Dunn of the Townsend Glace Fruit Company of San Francisco was the guest of friends, and incidentally transacting business in this vicinity this week.

WRITES FROM YOSEMITE

The following is the first letter written from Yosemite by Mr. and Mrs. W. L. Murphy who have been on the Yosemite Valley trip with the California Press Association the past week. Mr. and Mrs. Murphy returned home Thursday night.

We arrived at El Portal, the gateway to the Yosemite last night, (Sunday) about 6 o'clock, and at 7:15 after an auto trip, which opened our eyes to the marvels of this great Yosemite land, we were ushered into the hospitable Yosemite Lodge where our party partook of dinner. There were 150 of the California Press Association badges in evidence and we were proud that the Governor of California Friend W. Richardson himself an old newspaper man was wearing one of the badges.

The trip into the Yosemite which really began for us at Merced proved Merced to be a beautiful and up-to-date city with well paved streets, electric lights and several parks whose green lawns, shady trees and inviting benches made us wish that Sonoma had such a recreation ground in our own place.

At Merced we visited the office of the "Sun" which was formerly the San Joaquin Valley Argus, a newspaper edited by the grandparents of the writer in pioneer days. After interviewing some old-timers we located the cemetery where they are buried. We found the graves marked by a neat monument and also the grave of a brother of the late H. H. Granice. This bore the inscription, "A young poet rests in the bright spirit land"—Geo. Law Granice. This young man died in his 24th year. After placing a wreath on the monument we returned to Merced.

At the El Capitan Hotel we dined with Dr. Fred Sprague, wife and daughter. They had motored over

from Los Banos in their new Cleveland touring car and we had had a pleasant visit with them. After dinner we all chatted with Mr. and Mrs. Harry Lutgens and told them a lot about the coming Mission Centennial.

Sunday we left Merced at 1:40 on the Yosemite railroad for the Valley. These cars were assigned to the Governor and his party. The trip along the Merced river was exceedingly interesting and beautiful. The railroad follows the river all the way. It was a five hour journey to El Portal.

At Yosemite Lodge we found that our hotel was in the midst of all the scenic grandeur of the national park, the Yosemite Falls roaring down just at the back of the main building and the gigantic domes and rocks rising to the sky all about it. We were assigned to a tent cottage in a pine forest nearby which is a delightful location.

Today, Monday there was no set program for the Press Association so Mr. Murphy and I entertained ourselves by looking up an old friend, Eugene Foley, a former artist-printer, who, one time worked on the Index Tribune. Foley and his brother, D. Foley have one of the leading studios in Yosemite Valley. We were cordially received and shown many courtesies by these talented people. Mr. D. Foley is a newspaper man and writer also. He introduced us to the chief government landscape gardener, and designer of national parks. This gentleman showed us the plans for the new Yosemite village which will be a big improvement in the general plan of the Park. We visited the museum with its pioneer relics, Indian handicraft, and display of wild flowers stuffed animals, birds etc.

The Yosemite Falls lured us again and again, after the climb over to the creek where it falls after its gorgeous drop from a height of over a half a mile. The spray was like a nature lover's baptism, and the force of the falling water fans the air into a lively breeze.

Without a doubt, the Yosemite is the closest to a Garden of Eden that we will ever see on earth and makes one truly appreciate this wonderful world, and its great California. My advice to everyone is to see it if you have to give up countless indifferent pleasures and joy riding. This is something worth while, a trip you will appreciate as long as you live.

Sonoma's celebration is well advertised here. W. L. Murphy's whisker-inoes have explained it all. We also put up posters and have folders in the rack here at the hotel.

Celeste G. Murphy.

Miss Mary Sandwell has arrived recently from Manchester, England and will make her home with her brother, Thomas Sandwell, who resides in the Waller tract. Miss Sandwell is highly pleased with the Valley of the Moon.

CHAS. CHENEY RETIRES AS MAYOR OF SPARKS

Chas. Cheney, son of J. M. Cheney, Sonoma pioneer and son-in-law of Wm. Durant has retired as Mayor of Sparks, Nevada after eight years of public service. That Mayor Cheney did good work for his city and was appreciated is evidenced by the nice press notice he got in the Sparks Tribune of May 11th. The Tribune said under the heading, "Administration of Mayor C. N. Cheney period of splendid achievement."

The eight years that have elapsed under the administration of Mayor Cheney have seen many changes and many improvements in Sparks. It is really hard to picture this city as it was eight years ago, and comprehend the wonderful changes that have taken place. Perhaps the crowning achievement of that eight years is the completion of three and one-half miles of pavement through the main section of the city at a cost of less than \$40,000. This pavement was put in with the assistance of Federal aid road funds, and gives to Sparks a permanent thoroughfare that will be an ornament to the city as well as a lasting improvement. With the pavement was laid the necessary curbs and gutters and a storm sewer that will be a splendid investment in taking care of the storm waters of the winter season.

In connection with this work it is remembered that one of the first pieces of construction work completed under a Cheney administration was the laying of the cement gutter on B. street, on the north side.

In the eight years that have elapsed since Mr. Cheney first entered the office the fire department has been modernized and a home of its home at 42th and C streets purchased. The Mayor has recommended recently that more equipment for the fire department should be purchased as it is necessary to the safety of the city.

In conjunction with the grading of over 18 miles of resident street in the past eight years, the council paid particular attention to sidewalks and one of the major features of the administration was the laying of over six miles of cement walk.

When Mayor Cheney entered office eight years ago, the expenditures of the city were something less than \$20,000 a year. Since that time the expenditures have increased until today the budget calls for an annual appropriation of \$42,000 and yet the tax rate is lower today than it was eight years ago by some ten or fifteen cents. This is accounted for by the fact that the city is much larger, the assessment roll greater, and the income from licenses exceeds that of the period when he first took office.

These are only a few of the highlights of the administration of Mr. Cheney and his fellow workers on the council. They have served during a period of importance, and at times public work was practically suspended on account of war conditions, but withal the achievements that are to be noted and that will stand as a monument to the splendid administration of Mayor Cheney and his council.

CHILDREN'S DAY SERVICES

According to a well established custom, Children's day comes on the 18th of June, (next Sunday). At the Congregational Church, Supt. Edgington, with the teachers have worked out a fine program for the children. At 10 a. m., rehearsal by the children. At 8 p. m., Reception, of members into the Church, and baptism of children, after which the service will be turned over to the children. Every one is invited, especially we expect the parents to be present with the boys and girls.

Pastor's subject in the morning, "What then shall this child be?" Found in St. Luke's Gospel 1-66.

HELPED TO INSTALL

N. D. G. W. PARLOR

Mrs. Florence Robin went to Fairfax one evening last week, where she assisted a grand officer in installing a parlor of Native Daughters of the Golden West. Mrs. Robin motored down, and was accompanied by several other members of the local parlor.

CONGRESSMAN LEA

OFF FOR ALASKA

The following account of Congressman Lea's departure for Alaska will be of interest to Sonoma friends. The Congressman will speak here on July 4th.

Miss Louitia Lea, his sister and a party of friends from Santa Rosa went down to see Mr. Lea and his wife sail with the Secretary of War.

Miss Louitia Lea, and Mrs. William Hilderbrand returned home Sunday night with glowing accounts of the extremely hospitable manner in which they were received aboard the U. S. Transport Cambria at San Francisco Sunday morning. They motored to San Francisco to take leave of Congressman and Mrs. Clarence F. Lea prior to their departure for Alaska.—Press Democrat.

BOOST SONOMA CENTENNIAL

R. C. Bancroft, secretary of the Sonoma Business Men's Association, attended the conference of the Bay Cities Commercial Secretaries recently in Oakland.

Mr. Bancroft addressed the meeting relative to the plans and progress Sonoma has made for the celebration of the founding of the Mission at Sonoma. The delegates were greatly interested and assured the speaker that they would co-operate in giving publicity to the celebration in their respective towns.

Mrs. L. Mc Elroy was visiting her daughter Mrs. Hall and family at Novato recently.

Mrs. Kate Buchan, accompanied by her grandson, Robley Hobart, was a business visitor in San Francisco, the first of this week.

Mrs. Perle Erasmus was a shopper in San Francisco Monday.

men are such as a city many times larger than Sparks might well be proud.

ESTATES OF MR. AND MRS. MILLERICK IN PROBATE

George Millerick filed a petition Monday for letters of administration in the estate of his mother, the late Katherine Millerick, who died April 19th and left an estate consisting of a half-interest in 401 acres near Schellville valued at \$20,000, a half-interest in house and lot in Berkeley valued at \$2,500, and \$2,500 in cash. The heirs are three sons, John J., Thomas F. and George Millerick, all of Schellville, and daughter Mrs. Helen Jensen, Berkeley. G. W. Hoyle and J. W. Ford represent petitioner.

At the same time he also filed a petition for letters of administration in the estate of his father, M. J. Millerick who died July 4th, 1922 and whose estate is under probate with his widow, Katherine Millerick, as executrix. The estate has been appraised at \$30,000 by Donald Geary and J. Keechler.

KUNDE'S SONOMA RANCHES LEASED TO SON

Mrs. L. Kunde widow of the late Louis Kunde of Wildwood has petitioned the court to lease the three Sonoma County ranches owned by the Kunde estate to Arthur Kunde of Kenwood who will manage all the property. The Paso Robles ranch is to be leased to parties there.

Arthur Kunde is an expert farmer and viticulturist and Wildwood Vineyard under his management is up to the high standard set by his late father.

*Bring your furniture
Up to date*

STYLES in furniture change with the times, just as do styles in dress. That is why many ingenious housewives rely on Fuller Enamels and Decorat Varnish Stains to bring their furniture up to date.

For refinishing the surface in imitation of natural wood such as Dark Oak, Rosewood and Walnut, use Decorat Varnish Stains. The newest colors when painted furniture is in vogue will be found in Fuller's Art Decorative Enamel. Then there is Silkenwhite Gloss or Semi-Gloss Enamel, which produces an intense white or olden ivory finish for the woodwork of the room.

Ask for Fuller Paints and Varnishes, by name, at the local dealer's. Or write our Service Department for advice. Our "Home Service" booklet is free. Whatever your painting need, W. P. Fuller & Co. makes a paint for the purpose.

SPECIFICATION FOR NEW ROAD IN TWO WEEKS

That bids for the new state highway between Beltrane and Schellville will be advertised for shortly is gleaned from the following letter from State Engineer Morton to Senator H. Slater:

State Engineer Morton's letter is self explanatory. It follows:

Senator Herbert W. Slater, Santa Rosa, California—My dear Senator: I have your letter of May 23 and would say in regard to the highway between Beltrane and Schellville that we are now preparing specifications for the improvements of this section. Owing to many changes which are contemplated in the general specifications covering state highway work and the fact that we desire to make some changes in the form of the contract, there is some delay in getting out the specifications. However, we should have everything all prepared within the next two weeks.

In regard to the type of construction, have to advise that we realize fully the temporary inconvenience which the construction of a gravel surface on this section will cause. However, we are thoroughly convinced that in the interests of the people of the State the general method heretofore carried out in the construction of our State highways must be radically changed if our roads are to more nearly approach permanency. It is the judgment of highway engineers, not only in this state but throughout the country, that much of the deterioration of our high-priced pavements is due directly to insufficient preparation of the earth grade and that rigid pavements cannot be sufficiently maintained without more attention being paid to the foundation.

We plan to grade this section and surface it with gravel or broken stone allowing traffic to use the road and also allowing it to pass through at least one winter season before any pavement is placed. I believe this will ultimately result in a much better road which will stand the traffic with a minimum of maintenance expense and ultimately give the best satisfaction to the users of the road and be more economical for the people of the state. We are planning to grade the road to a width of 30 feet, open up the ditches to take care of the heavy rainfall in that section and install a gravel surface to a width of 20 feet.

We realize fully that the gravel surface does not appeal to the general public who have been educated to hard pavements. However, the problems of the Highway Commission are multiplied by the vast mileage of highways which are in need of reconstruction because this method has not been pursued in the past. We realize that the portion of the highway which lies near the south end of the section, cannot long be maintained successfully with a gravel surface and it is the intention of the State within a reasonable time to follow up this surface with a hard surface pavement.

With reluctance I hesitate to accept your invitation to meet with you in Santa Rosa on account of the fact that my time will be fully occupied with the trips in company with the Highway Commission which are already planned for the month of June, and during the few intermissions I am closely tied to my office investigating and deciding important matters which come up. After the month of June I will be glad to accept your invitation.

Yours very truly,
R. M. MORTON,
State Highway Engineer.

PRESIDENT McDONNELL
NAMES COMMITTEES

The following have been appointed as members of new committees by President J. P. McDonnell of the Sebastopol Chamber of Commerce: Committee to decide on participation in Sonoma Mission Centennial celebration: W. S. Borba, Hubert B. Scudder, John S. Saunders, all members of the Native Sons of the Golden West.—Sebastopol Times.

Miss Nettie Mc Conochie attended the golden wedding anniversary of her aunt and uncle, Mr. and Mrs. Donlan of San Jose, the first of the week.

PONY EXPRESS RACE ARRANGED

Pony express days of the old roman times will be portrayed this summer when riders will carry messages from St. Joseph Mo., to San Francisco, a distance of nearly 2000 miles.

John S. Bryan and George Millerick of San Francisco arrived in Salt Lake yesterday for the purpose of making arrangements for Utah's part of the celebration, which will be held under the auspices of the Pony Express Memorial association, of which former United States Senator James D. Phelan of California is president.

The first rider will leave St. Joseph August 31st. The last man to relay the messages, it is expected, will arrive in San Francisco September 9, according to Mr. Bryan. The route through Utah will be approximately 355 miles long. The rider who is relaying the messages when the Utah border is reached will enter the state nineteen miles east of Jensen on the Victory highway. The remainder of the tentative route through Utah follows: Vernal, Fort Duchesne, Roosevelt, Myton, Duchesne, Fruitland, Heber, Park City, Salt Lake, Magna, Garfield, Grantsville and Wendover.

Mr. Bryan and Mr. Millerick conferred yesterday with M. K. Parsons, chairman of the livestock committee of the Chamber of Commerce and with R. N. Mead, J. H. Manderfield and W. J. Fisher, all members of the committee, regarding the plans for Utah. A meeting will be held here June 4, at which further details will be perfected.

Charles W. Fay, former postmaster of San Francisco, in a recent interview with President Harding obtained the promise of the chief executive that if he cannot personally start the race he will at least give the signal by pushing an electric button at his desk in the White House, according to Mr. Bryan.

Each state will be on its honor to carry the messages on schedule time. New riders with fresh horses will take up the messages every few miles. Gold medals are to be awarded to the riders making the best time.

The pony express system "whirled" letters across the country at a marvelous speed, writers of those days commented. The record time from St. Joseph was made when President Lincoln's first inaugural address was carried through in seven days and seventeen hours. It cost \$5 an ounce to send a letter. With the fast-moving trains and the air mail service of today, the pony express celebration will emphasize the progress that has been made since the sixties, those active in the movement declare.—Salt Lake City Tribune.

STATE FARM TO RELEASE WOMEN BEFORE JULY 1

None of the inmates of the Sonoma State Industrial Farm for Women will have to go to jail when the home is abandoned for lack of funds July 1, according to Superintendent Blanch Morse. By the end of June every woman there will be either paroled or discharged.

No new women have been taken into the institution for some time early in the year it was seen that opposition was so strong as to endanger the continuance of the farm. The minimum sentence of six months will have expired for each of the inmates by July 1st.

AL STEIN TAKES PARTNER IN FIRM

Charles O. Roberts, who for a number of years has been a painter in Santa Rosa, has been made a partner of Al Stein and from now on he and Stein will conduct the stationery business in Mendocino avenue under the name of "Al Stein's."—Santa Rosa Republican.

James Hagans, a member of the old Humboldt tribe of Indians, who was reared by the father of the late W. A. Hagans of Ukiah, is at present in Santa Rosa and plans to participate in the Sonoma celebration in July, dressed in a buckskin suit similar to those formerly used by his tribe before white people came to this section.

QUICK ACTION BRAKES

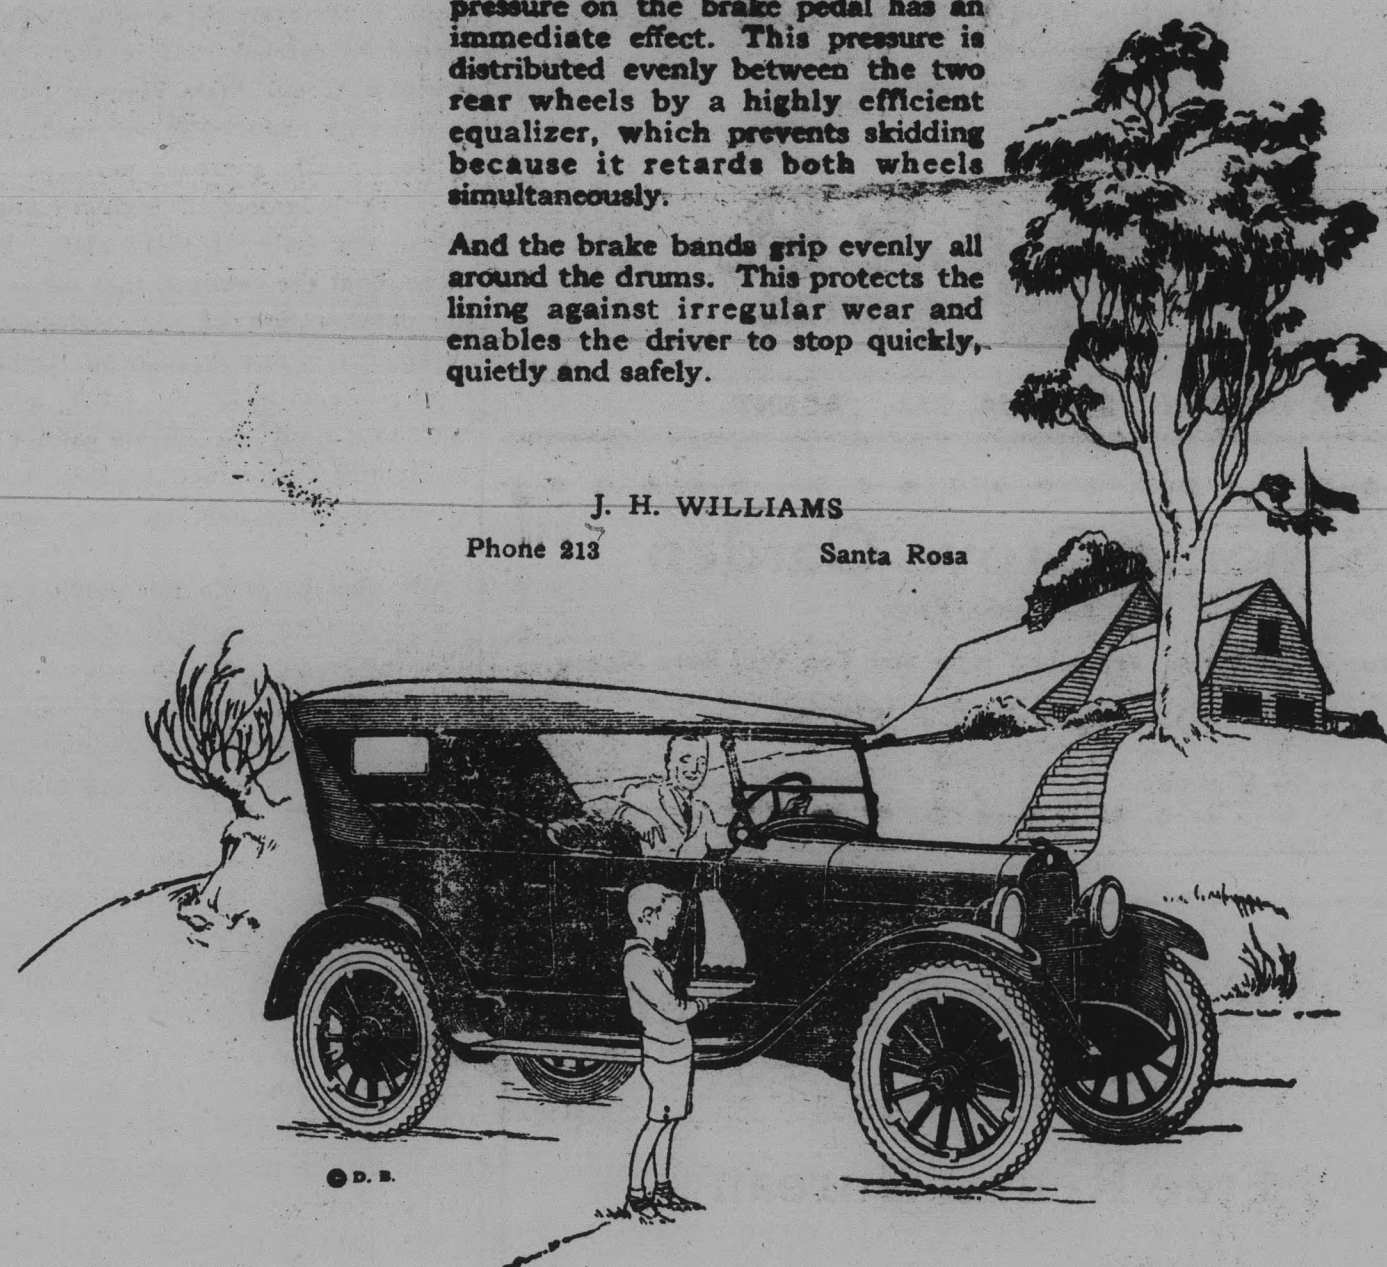

EXTRA LARGE AND EXTRA SAFE

In the construction of Dodge Brothers Motor Car, every consideration has been given to the owner's safety.

This is particularly evident in the brakes, which, with their 14-inch drums and 2 1/2 inch lining, are appreciably larger than the average. The extra surface thus provided develops greater friction when the brake bands contract over the drums—and it is this friction which stops the car.

Connecting levers are designed to transmit the maximum of power with the minimum of effort. The slightest pressure on the brake pedal has an immediate effect. This pressure is distributed evenly between the two rear wheels by a highly efficient equalizer, which prevents skidding because it retards both wheels simultaneously.

And the brake bands grip evenly all around the drums. This protects the lining against irregular wear and enables the driver to stop quickly, quietly and safely.
